REPORT ON INTERNATIONAL NURSING DAY

DATE: 2083.01.29

VENUE: Premises, AMDA INSTITUTE OF HEALTH SCIENCE Damak

INTRODUCTION

International nursing day was celebrated with great enthusiasm and dignity at our institution. The program was organized to honor the contribution of nurses.

ACTIVITIES

The event began with DEEP PRAJWOLAN and garlanding Florence Nightangle by the principal and medical superintendent marking the dignified start of the ceremony. This was followed by a short speech delivered by medical superintendent, Shikhar kattel who highlighted the importance of nursing in healthcare services.

The highlight of the program was lamp lighting ceremony and oath taking ceremony for the pcl nursing 1st year students which was conducted by respected Tulasa Bhandari mam. The lamp lighting symbolized knowledge, wisdom, and spirit of nursing while the oath taking reflected their commitment to serve humanity.

A special speech was delivered by the matron mam Punam Gauro who highlighted the importance of nursing ethics, discipline, and the vital role nurses play in healthcare services. The ceremony. The ceremony was conducted in a respectful and disciplined manner. Faculty members students and administration staff actively participated and made the event successful.

CONCLUSION

The program was concluded with appreciation remarks and inspiring environment for beginners reinforcing the values of nursing profession by respected principal mam Sajana Vaidya.

Thankyou !
